Fablndustries

FabIndustries is a team of professionals striving to give their customers top quality, firm commitment and on time deliveries. Our single highest priority is producing products which conform to our customer needs. We take great pride in manufacturing top quality products, at competitive prices with a sustainable approach.

FabIndustries has came into being with a ¹⁰⁰ percent export-oriented approach. FabIndustries is owned by Fabcot International a ³⁰-year-old sourcing giant. As the company was already involved in trading and sourcing of yarn, greige fabrics, dyed fabrics for both local and international market they decided to move into the apparel business by setting up a complete cut to pack facility, with the latest machinery.

INTEGRATED ERP **SYETEM**

FabIndustries has an integrated ERP system to streamline operations, enhance efficiency, and provide real-time visibility into key business data. By integrating various departments and processes, it allows for seamless information flow and eliminates data silos that may exist in separate systems or spreadsheets.

FabIndustries (Pvt) Ltd

contribute to the achievement of these goals through their actions, policies, and partnerships.

Who we are

FabIndustries is owned by Fabcot International, a 30-year-old company dealing in textile sector. Due to the high demand in apparels from Pakistan, Fabcot decided to set up their own stitching unit to better serve their clients under the name of FabIndustries. FabIndustries is strategically located at Ferozpur Road Lahore, Pakistan to take advantage of readily skilled labor in the apparel industry. FabIndustries has the capacity of making 40,000 light work wear garments and 10,000 heavy work wear garments on their brand-new state of the art machinery.
